

February 6, 1987

LB 75, 100, 135, 175, 216, 231, 239  
296, 384A, 385

offered by Senator Wesely. (Read title.) The bill was referred directly to General File, Mr. President.

SPEAKER BARRETT: Senator Wesely, will you please handle the bill?

SENATOR WESELY: Yes, Mr. Speaker, members, this bill deals with the money that is needed to maintain the LB 407 process, that is the health care review process that was set up a couple of years ago. It is all Cash Fund, no General Fund monies, and I would ask that it be advanced. That bill will be held over, just for your information, until next year. It extends the sunset date on the process and we plan to hold the bill until next year and work on, perhaps, some amendments to the process. So, for your information, this bill should be advanced and then it will be held until 1988.

SPEAKER BARRETT: Thank you, Mr. Chairman. Any discussion on the advancement of the bill? If there is none, all in favor of advancing LB 384A to E & R, vote aye, opposed nay. Have you all voted? Please record.

CLERK: 27 ayes, 0 nays, Mr. President, on the motion to advance 384A.

SPEAKER BARRETT: The bill is advanced. Read something into the record, please.

CLERK: Mr. President, your Committee on Enrollment and Review reports LB 75 to Select file with E & R amendments; 231, 296, 216, 135, 239, 385 to Select File, some of which have E & R amendments attached, all of those signed by Senator Moore. (See pages 515-17 of the Legislative Journal.)

Senator Rogers would move to place LB 100 on General File notwithstanding the action of the committee. That will be laid over, Mr. President.

I have a Report of Registered Lobbyists for the week of January 30 through February 5 which is filed pursuant to statutes. That is all that I have, Mr. President.

SPEAKER BARRETT: Thank you, sir. We will momentarily pass over 284 and 40A, 284A and 40A, moving on to General File then with LB 175, Mr. Clerk.
